Invitation for Expressions of Interest ("EOI")
for Operating Licensed Ferry Services
(i) Central – Hung Hom and
(ii) Kai Tak – Hung Hom – Tsim Sha Tsui East – Central – West Kowloon (Circular)

Transport Department ("TD") invites interested parties to indicate their interest in operating the following two licensed ferry services ("Ferry Services")

(i) **"Central – Hung Hom**" ("Hung Hom Service"); and
(ii) "**Kai Tak – Hung Hom – Tsim Sha Tsui East – Central – West Kowloon (Circular)** ("In-harbour Circular Service")

under a ferry service licence ("Licence") to be issued by the Commissioner for Transport ("the Commissioner") in accordance with the Ferry Services Ordinance, Cap.104.

2. The Hung Hom Service and In-harbour Circular Service are expected to commence from February and September 2019 respectively or such later date as may be specified by the Commissioner after consultation with the operator to whom a Licence has been granted.

3. Hung Hom (South) Ferry Pier and the Western Berth of Central Pier No. 8 are located at the prime locations on both sides of Victoria Harbour. For the holistic management of the piers, better utilisation of pier facilities and thus improving harbourfront vibrancy, any person submitting an EOI ("the Proponent") is also invited to submit innovative proposals on beautification of these piers. The Proponent should consider incorporating suitable commercial elements in their proposals to enhance the vibrancy of the harbourfront and promote public enjoyment. Please note that the pier beautification proposals of the operator to whom a Licence has been granted, will require further deliberation with Government bureaux and departments in assessing the technical feasibility and obtaining necessary approvals from relevant authorities before

implementation. Any revenue so generated from the commercial concessions that may be granted for the purpose of implementing the pier beautification proposals must be used to cross-subsidise the Ferry Services.

4. For the purpose of bringing green environmental protection elements into the ferry fleet and improving the air quality in the Victoria Harbour, the Proponent is invited to indicate plans on the provision of greener ferries in operating the Ferry Services. Greener ferries refer to ferries, either newly built or in-use ferries, with commercially available and proven green technologies and products in maritime trade for reducing exhaust and greenhouse gas emissions. The proven green technologies may, but not be limited to, include any or a combination of the following: (a) hybrid propulsion, (b) diesel-electric propulsion, and (c) light-weight materials. The Proponent should also indicate how the plans on provision of greener ferries would be implemented with due regard to the financial viability of the operation of the Ferry Services in fulfilling the obligations and ability to provide a proper and efficient ferry service.

5. The In-harbour Circular Service aims to respond to suggestions from the community for introducing the "water taxi" service plying between different calling points along the waterfront of the Victoria Harbour to bring vibrancy to the harbour.

Purpose of invitation for EOI

6. This EOI exercise is not an invitation for application of Licence or a tender exercise, nor part of any of them. Neither this EOI exercise nor any submission received by the Government in response to this EOI exercise constitutes an offer or the basis of any contract which may be concluded, or Licence granted, nor are these binding on the Government.

Submission of proposals

7. The Proponent should provide such proposals in such forms as specified below:

(a) The Proponent should indicate their interest in operating the Ferry Services, in the format as set out in Annex 1;

(b) The Proponent should provide their particulars, including experience and competence in ferry operations and management, etc., in the format as set out in Annex 2;

(c) The Proponent should submit proposal on service details with frequency and vessel quality satisfying the minimum service requirements as specified in Annex 3, in the format as set out in Annex 4;

(d) The Proponent should provide proposals on beautification of Hung Hom (South) Ferry Pier and the Western Berth of Central Pier No. 8, incorporating commercial elements to the pier facilities for improving harbourfront vibrancy in the format as set out in Annex 5;

(e) The Proponent should indicate plans on provision of greener ferries for operating the Ferry Services in the format as set out in Annex 6; and

(f) The Proponent may provide any other relevant information and suggestions, as appropriate or necessary.

8. The specified forms (Annexes 1, 2, 4, 5 and 6), information on the minimum service requirements (Annex 3) and location plans of the piers of the Ferry Services (Annex 7) are available for collection from 27 August 2018 during office hours (9.30 a.m. – 6.00 p.m., Monday to Friday (except public holiday) at the following address:

Ferry and Paratransit Division,
Transport Department,
Room 2001, 20/F, Harcourt House,
39 Gloucester Road,
Wan Chai, Hong Kong

9. All EOI submissions should be placed in a sealed envelope clearly marked with "EOI for Operating Licensed Ferry Services (i) Central – Hung Hom and (ii) Kai Tak – Hung Hom – Tsim Sha Tsui East – Central – West Kowloon (Circular)" and should reach TD at the aforesaid address on or before 12.00 noon, 27 September 2018. In case a black rainstorm warning or typhoon signal No. 8 or above has been issued

between 9.00 a.m. and 12.00 noon on 27 September 2018, the submission closing time will be extended to 12.00 noon of the following working day. Late submissions will not be accepted. For the purpose of this paragraph, "working day" means a day excluding any Saturdays, general holidays within the meaning of the General Holidays Ordinance, Cap. 149, and a day on which a black rainstorm warning or typhoon signal No. 8 or above has been issued between 9.00 a.m. and 12.00 noon.

Government's rights and disclaimers

10. The submission by the Proponent shall be taken to be an acceptance of the terms of invitation of this EOI exercise.

11. The Government reserves the right to change any of the operational arrangements and any other specifications for the Ferry Services in considering any application of Licence or in any future tender exercise therefor, or to cancel this EOI exercise and not to consider any such application or conduct any such tender exercise or issue any Licence.

12. All costs and expenses involved in the preparation and submission of the EOI in response to this invitation shall be borne solely by the Proponent.

13. All information and statistics contained in this invitation and the attached specified forms are provided to facilitate the Proponent's preparation of their submissions only. The Government does not warrant or represent (whether expressly or impliedly) as to the correctness, accuracy, completeness, reliability, timeliness or fitness for a particular purpose of any such information and statistics. The Government does not accept any liability to any person howsoever caused by the use of or reliance on any such information and statistics. The Proponent should conduct their own independent assessment of the information and statistics contained in this invitation document and seek professional advice if they deem necessary.

Personal data of the Proponent

14. The personal data of the Proponent and of any individual provided as part of

the EOI submission (collectively referred to as "personal data" in this paragraph 14) will be used by the Government for the purposes of processing the EOI submission, and all other purposes necessary for or directly related to the said purposes including but not limited to the resolution of any dispute arising from the EOI submission.

15. By submission of an EOI, the Proponent acknowledges and consents and has ensured that the individuals who are the subject of personal data have acknowledged and consented that personal data provided in the EOI submission may be disclosed to other Government Bureaux and Departments, the Legislative Council, the District Councils, the Area Committees, non-governmental organisations and data access applicants under the Code on Access to Information.

16. The Proponent and the individuals who are the subject of personal data have the right of access and correction with respect to personal data as provided for in Sections 18 and 22 of and Principle 6 of Schedule 1 to the Personal Data (Privacy) Ordinance (Chapter 486).

17. Enquiries concerning the personal data collected by means of this EOI exercise, including the making of access and corrections, should be addressed to

Access to Information Officer,
Transport Department Headquarters,
41/F, Immigration Tower,
Wan Chai, Hong Kong
Telephone No.: 2829 5236

Intellectual property rights

18. In making a submission, the Proponent shall be deemed to have granted to the Government a licence to use, adapt and modify its expression of interest and proposals submitted and all intellectual property rights subsisting in the submissions for all purposes in respect of or in connection with this EOI exercise. The Proponent shall, if required by the Government, do all things and execute all instruments or documents for the purpose of conferring such rights on the Government.

19. Any enquiry in relation to this invitation should be made to:
